

EAT YER MEAT!

Back by popular demand, Jamieson PAC is teaming up again with Two Rivers Specialty Meats to offer local, natural, frozen meat products to Jamieson families and friends!

Two Rivers has supplied some of the best restaurants and retailers in B.C. since 2007. Their products are all free of hormones, antibiotics and chemical feed additives. And they're tasty, too!

Two Rivers will donate 15% of all sales to Jamieson PAC!
