- Meeting time for PAC meeting may need to be reviewed

Principal's Report: Natasha Miladinovic

- PJ day was today and was fun for staff and students
- Edge Imaging- we will sign the contract for another year
- Poppy collection raised over \$800
- Thanks to PAC we ordered 22 iPADS, so we have 1 iPad for every class

- Ordering a laptop cart; we have additional 14 laptops and also have received new Dell computers (replaced old computers from our school – no additional cost), so we will have 2 carts (Lena – SET BC - ended up having surplus and brought laptops for Jamieson)
- Saleema Noon has been booked for May
- We have interest for a seniors boys basketball team

- Traffic – frustrating when people continue to break the rules; Natasha will touch base with school safety team and they will be visiting our school again. This will occur on a regular basis as we are on their list
- Thanks to our PAC for the fundraisers and for putting on a staff lunch
